

The Marlington Alumni Association

PLANTING ACORNS, GROWING OAKS

Jamie Cochran
(‘07)

Thank You!

Jamie Cochran (‘07) recieved a
MAA scholarship in 2007.

She graduated from Ohio
Northern University in 2011
with a BSBA in International
Business and Economics
and Spanish.

She now works in Human
Resources and Talent
Management at the
Abercrombie and Fitch
corporate offices in
New Albany, Ohio.

Here for good.

For more than twenty years the MAA has served as a valuable link between generous alumni and friends and the next generation of Marlington graduates. More than donors or philanthropists, the growing pool of individuals who annually support the MAA are making purposeful and critical investments in the future. We are grateful for your continued support and strive to make you proud of your school, the honorees we select and the work of the MAA.

Since our first \$500 awards in 1989 to the twenty awards totaling \$45,000 in 2012, the Marlington Alumni Association strives to make a difference. Just like the Marlington School district, we’ve grown and changed. But we remain, as always, here for good. For good of the next generations, for good of you, our donors, and for good of the global community we now inhabit, we’re here.

Donors are the heart of the MAA. Our goal is to help you tailor your giving to match your philanthropic dreams and to make donating as easy as possible. I invite you to become a patron at the level most appropriate for you and your family, and make your tax-deductible gift of \$25, \$50, \$500, \$1,000 or more using the enclosed envelope or online at www.marlingtonalumni.org. We’re here for good.

Vondea Sheaffer

Vondea (Bohyachyk) Sheaffer (‘76)
President
Marlington Alumni Association

In Memorium

By Marsha (Rinehart) Graham ('70)

The Marlinton community lost a valued member May 3, 2012 when Thomas William Hazen went to his Heavenly home.

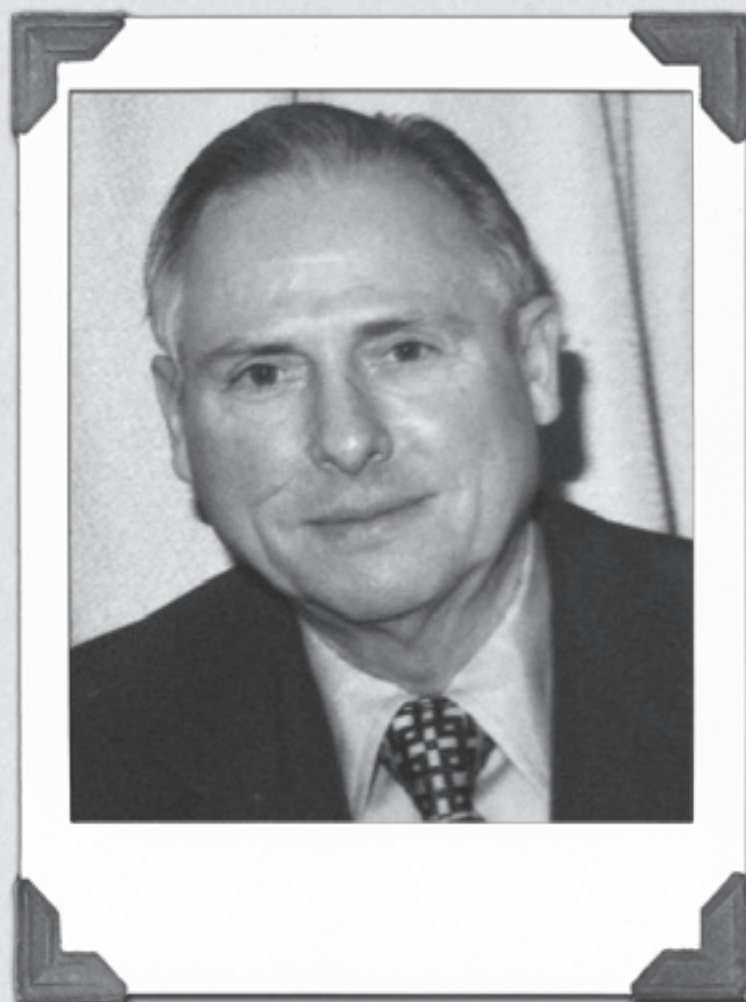

Many remember Mr. Hazen as a principal or guidance counselor. Others saw him in the neighborhood, at church or at community functions. No matter where, Tom Hazen was most recognized by his graciousness and his friendly smile.

Tom took genuine interest in other's lives. He loved to hear updates and accomplishments and often remembered details and connections others forgot. He so enjoyed keeping up with alumni that for some years he contacted former students, charted their post-graduation accomplishments and kept up-to-date statistics. Always with an interest in improving the school, he shared the data with MHS staff and made suggestions for ways to improve MHS curriculum to better serve the students!

While Tom made an impact at Marlinton, his life was full of achievements!

Did you know he:

- was born Feb. 4, 1917 and lived for 95 years
- Graduated from Alliance High School
- Graduated from Mount Union College
- was a First Lieutenant in the United States Army
- was awarded the Bronze Star
- was in the Medical Detachment – Infantry
- was married to Helen (Pauli) Hazen for 65 years
- taught at Osnaburg Local HS and Marlboro HS
- earned his Master's Degree at Kent State University
- was Marlinton High School's first Principal and served for 15 years
- was MHS's First Vocational Counselor
- retired in 1984
- was a published author

Though these few facts may highlight some of Mr. Hazen's life, they can never reveal his best trait- he was a true, honorable and wise gentleman. Mr. Hazen always listened and processed before speaking. He was tactful, caring and compassionate. He loved his family and cherished his years at Marlinton. May he always be remembered both in and out of the halls of Marlinton High for he will be sorely missed.

The Marlinton Alumni Association

Distributes \$45,000 to 2012 Grads

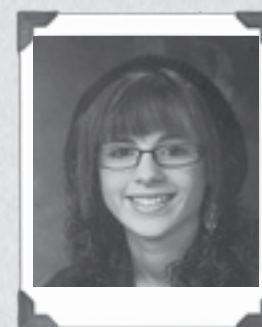

By Karen (Slabaugh) Humphries ('83) and Vondea (Bohaychyk) Sheaffer ('76)

The Marlinton Alumni Association held its annual meeting and scholarship awards banquet April 30, 2012 at The Hartville Kitchen and distributed awards totaling \$45,000 to twenty Marlinton seniors.

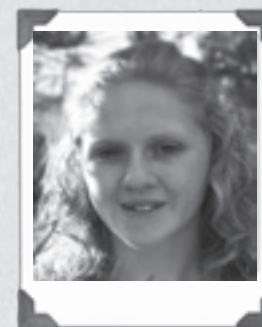

Depending on available resources, awards ranged from \$500- \$10,000 and will help students purchase books, pay tuition or fund specific course requirements. More than sixty students' applications, transcripts and essays were evaluated by the MAA scholarship committee and carefully compared to each scholarship's specific criteria. Scholarships were awarded based on varied combinations of academic accomplishments, personal interests, and need, and will assist students pursuing further education in agriculture, science, medicine, journalism, technical school, engineering arts, music and more.

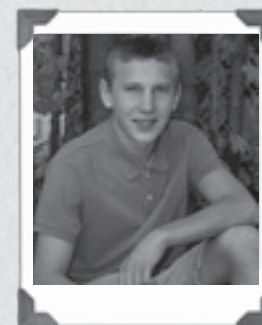

The Carol Teutsch Memorial Scholarship was awarded to Bailey Willis. Bailey plans to attend The University of Akron to study biomedical engineering and pharmacy. Following that she hopes to complete graduate school then attend Northeast Ohio Medical University (NEOMED). Some of her favorite memories of school are of attending Junior Scholars and building strong relationships with friends. The teachers that influenced her the most were Mrs. Gregory, Mr. Locke, Mr. Oyster, and Mrs. Bugansky.

Brooklyn Dimit received both the Harold and Ruth Sweitzer Scholarship and the Kimi Korleski Memorial Scholarship. She plans to attend Capital University to study Art Therapy. A softball player while at Marlinton, Brooklyn plans to play in college as well. Her favorite teacher was Mrs. Bugansky, saying her "vibrant personality" made her love the class and learn too.

Keri Gamble was awarded a James Krabill Memorial Scholarship. She plans to attend the University of Findlay to pursue a career in Equine Business Management. After receiving her education, Keri would like to manage or represent the sales and production of a horse product or business. In high school she enjoyed soccer and reading, and also horseback riding and skiing.

Justin Weisent received a James Krabill Memorial Scholarship and the Richard W. Bohaychyk Memorial Scholarship. He will attend Hocking College and hopes to become a forest ranger. While in high school Justin enjoyed wrestling, FFA, fishing, and farming. The teacher who influenced him the most was Mr. Raber because he made the classroom "a fun place to be" and helped Justin select a career path.

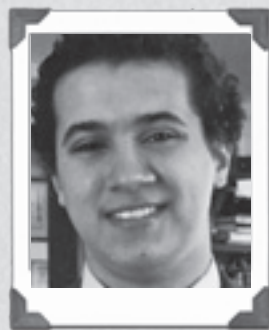

Megan Buza was awarded one of four Marlinton Alumni Association Scholarships. She plans to attend Ohio State University to study Journalism and Behavioral Sciences. After graduation from college, Megan would like to go on mission trips, become a marriage

counselor and establish her own foundation. Megan credits her second grade teacher, Mrs. White, as being most influential. Mrs. White taught her to be comfortable around "everyone." In school Megan enjoyed volleyball, Ski Club, Student Council, Link Crew, Spanish club, and serving as a bell ringer.

Rachel Fox received a Marlinton Alumni Association Scholarship. Rachel will attend Malone University to study mathematics. After graduating she hopes to have a job daily utilizing her degree in mathematics while continuing to live

her life for Christ. During school she enjoyed marching and concert bands, piano and violin lessons, scrapbooking, and attending the Chapel in Marlboro youth group.

Gregory Margida received a Marlinton Alumni Association Scholarship and will attend either Davidson College or Earlham College to study Biochemistry and minor in French. His career plans include becoming a surgeon, but he hopes

to continue studying languages so he can also volunteer with "Doctors without Borders," an organization which reaches out to under-served populations. Gregory was a member of the undefeated football team his freshman year, which he says, he will never forget.

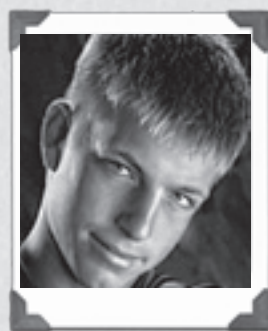

Harlee Floyd received a Marlinton Alumni Association Scholarship and plans to attend Baylor University to study Psychology/ Neuroscience. In school Harlee enjoyed being a part of Lady Dukes Soccer and Track, 4-H, and horseback riding. She

credits "all" of her math and science teachers with making medical school "fathomable."

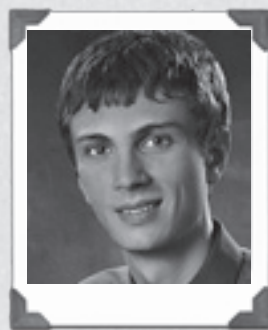

Emily Grossman received the Gerald P. Burke Scholarship and will attend Ohio Christian University to study Youth Ministry and Psychology. She plans to be a psychologist and a youth pastor, eventually becoming a motivational speaker at youth retreats

and conventions. Her favorite school memory is of winning the NBC championship in soccer. She was highly influenced by Mr. Locke and Mr. Farrell.

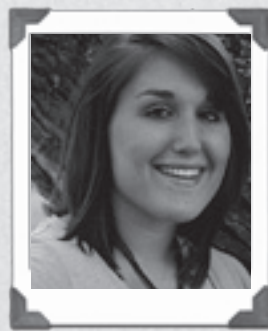

Ean Dickerhoof received the Ford C. Davis Scholarship and will attend The University of Akron to study Mechanical Engineering. After college he hopes to get a job with a golf company and design "innovative golf equipment." His

favorite school memories include the field trip to Washington D.C. in Middle School and winning the NBC championship in golf his senior year.

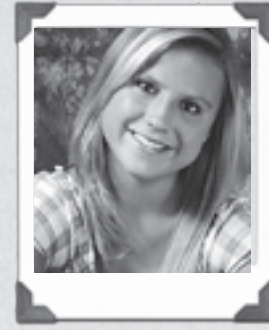

James Sedoris was awarded the Barbara Yoder Hall Scholarship and plans to study Journalism at Kent State University, and may also double major in Library Science or Education. While in school he enjoyed marching band, reading, music, Academic Challenge,

and hiking. He was influenced most by Mr. Yeagley and Miss Hempstead.

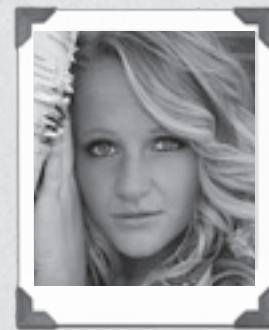

Brandi Biddle received the Hastings Scholarship and will attend The Ohio State University to study Exercise Science and Pre-Physical Therapy. She plans to become a Physical Therapist to help others. She loved building relationships in school and

was influenced most by Mr. Locke, Mr. Oyster, and Mrs. Bugansky.

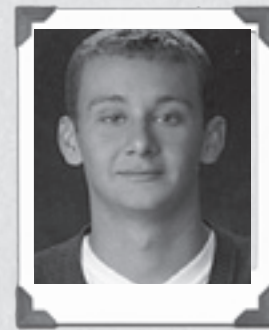

Kaley Hoffman earned the Ramser Scholarship. Ms. Hoffman will attend Ohio Wesleyan University to pursue International Studies and French. She says she would love to have "a position in government" where she could use French daily. Her back-up plan is to

be a middle school French teacher. She enjoyed choir, Character Counts, and tennis during school and was highly influenced by Miss Hempstead and Mr. Oyster, calling both of them her "role models."

Samantha Schoeppner received the Wayne and Bertha McAlister Family Scholarship and will study Animal Science at The Ohio State University. She plans to become a marine veterinarian with a minor in Spanish. While in school she enjoyed soccer, National

Honor Society, and spending time with family and friends. She was highly challenged by her math teachers, and enjoyed all of her senior year teachers.

Alex Schaeffer received the Pete Moulin Scholarship and plans to study Chemistry at Marietta College then pursue a Doctorate in Pharmacy. He enjoyed tennis and being selected for Buckeye Boys State during school. His most influential teachers were Mr. Locke and Mrs. Francis.

Melissa Johnson received the Rita Moulin Scholarship and will study Social Work at Anderson University. She hopes to become a medical social worker to then be employed in a children's hospital. She would also like to join the Peace Corps to take her skills

and knowledge overseas. In school she enjoyed Choir, Jazz Choir, drama productions, volleyball, Link Crew, and Spanish Club. She was highly influenced by Mr. Sholtis, Mrs. Haynam, Mrs. Bugansky, and Mrs. Painter.

David Gonzalez received a Scott and Cheryl Robertson Scholarship. He will attend the University of Mount Union to study Accounting. At Marlinton he enjoyed football, wrestling, lifting weights, and his friends. One of his favorite memories was serving

as the CEO of a Junior Achievement company. He was most influenced by Mr. Grady and Mrs. Bugansky.

Sam Heavner was awarded a Scott and Cheryl Robertson Scholarship. He will attend West Virginia University to study Computer Engineering. After graduating he would like to work for a computer tech company or for the Department of

Defense. He enjoyed Cross Country and Track while in school, and Mr. Locke and Mr. Oyster influenced him the most.

For more information about establishing a scholarship with the Marlinton Alumni Association, please contact Vondea (Bohaychyk) Sheaffer at (330) 697-4036 or email us at marlingtonalumni@yahoo.com. Your generosity will make a difference now- and for a lifetime!

Thank you!

We gratefully acknowledge those alumni, friends and caring family members who are committed to funding scholarships, academic assistance and student programs. Gifts were made from January 1, 2011- December 31, 2011.

Outstanding Alumni Nominations

The Marlington Alumni Association is currently accepting nominations for Outstanding Alumni. To nominate a deserving alumni, please send your letter of nomination (and contact information) explaining why this person should be considered. Attach additional pages and letters of support. Information may include personal and professional accomplishments, community involvement, family information, other awards or recognition, newspaper clippings or photos. Email inquiries may be sent to marlingtonalumni@yahoo.com or mailed to Marlington Alumni Association, Outstanding Alumni Committee, PO Box 6001, Alliance, OH 44601.

Why I give.

Annabelle (Bloss) Fearon ('54)

I donate to the MAA because I am proud of our school system. I know the funds are managed well and time and effort are put into choosing the recipients. We need to show our thanks for the education we received.

Jeff Pucci ('82)

I give to the MAA because of my great experience at Marlington. Donating to the Alumni Association is something I want to do because of the positive experience I had- and I still bleed orange and black! Go Dukes.

Kevin Pucci ('78)

I give to the Marlington Alumni Association because it is important that I support the school that provided me the foundation of where I am today. I had a great experience being a Marlington Duke and I want to support providing the same quality education as I was given.

Ray Sluss ('44)

I spent my entire career in the field of education- as a teacher, a principal and for many years in the academic textbook industry. I believe in the value of education and had opportunities because of the generosity of others. It is my privilege to give back and encourage another generation.

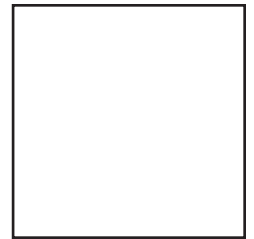

Nancy Schwan (Retired MHS teacher)

I have gladly supported MAA through the years, as Marlington - and all the wonderful people it is composed of - has supported me throughout the years. I did my student teaching there in the spring of 1964, then accepted a position there in the fall - and never left until I retired thirty years later. It is a beautiful and treasured part of my life.

Why **I give.**

Debbie Fox ('87)

I give because the MAA is a great organization that promotes pride in our schools and community. I appreciate getting the newsletter with updates on events and classmates. The scholarships given to senior students as they begin their post-high school career not only help them succeed in their chosen career but affirm them as worthy individuals.

Your support of the MAA should reflect your philanthropic intentions. Whether you make a gift of appreciated assets now or provide a legacy gift from your personal estate, we want to fulfill your goals. Talk to us about your gift so we understand how you want us to use it. Contact Bill Liber (330) 936-3173 or Vondea Sheaffer (330) 697-4036 if you would like to discuss your gift to the MAA.
