The Marlington Alumni Association (MAA) is comprised of more than 14,000 graduates and friends of Marlington High School, the former Marlboro High School and those students who graduated from Washington and Lexington Township Schools from 1958-1962. Located in Alliance, Ohio, in the predominantly rural, northeast quadrant of Stark County, the MAA strives to provide financial assistance to deserving graduates in the form of scholarships and book grants.

Including this evening, the MAA has awarded a total of \$865,450 to 555 deserving young men and women. Current awards recognize students pursuing careers in accounting, agriculture, education, business, music, science, and engineering. MAA 2020 Outstanding Alumni Ron Davis ('51)

Ron Davis graduated from Marlboro High School in 1951.

After high school he obtained a business degree from Ohio University, then joined the US Air Force where he trained as a fighter pilot. In 1958, he and his wife Mary moved to Hartville to lead the Buckeye Packaging Company, a company begun by his father in 1948.

The Marlboro Twp. based company manufactures rolls of plastic, which can be printed and made into plastic bags. During his nearly 35 years as President, Ron grew the company from three employees to 75 and served customers throughout the Midwest. Twenty-five after his retirement, the company continues to thrive and is a significant employer in the area and supporter of local teams and other nonprofits.

Over the decades, Ron has continued to play a role in the Marlington Local School district. He has consistently organized his high school class reunion which still meets after more than 65 years. Ron also endowed one of the Marlington Alumni Association one of the first scholarships in the name of his father, Ford C. Davis. Including the 2020 award, this scholarship alone has provided nearly \$50,000 in support of students entering Engineering or related fields.

Ron has been a lifelong resident of the area and supported many important organizations. He has been active in Lake Local Schools, where all three of his children graduated. He has also supported the Stark Community Foundation, North Canton YMCA, and Faith United Methodist Church. He was a member of Hartville City Council and is a past President of the Hartville Lions Club.

Ron is the proud father of three children: Laurie, Deborah and John. He enjoys his nine grandchildren and one great-granddaughter.

Nearly two decades after leaving the Air Force, Ron returned to the skies. He flew for business, and personal enjoyment, traveling to see friends and family. He transported patients for medical treatment as a volunteer pilot for Angel Flights. In 2019, at the age of 85, he landed a plane in Hawaii, marking the accomplishment of an unusual feat- he has landed an airplane in all fifty states!

The Marlington Alumni Association is pleased to recognize Ron Davis, Class of 1951, with its highest honor.
