

MAA President's Message

Your Generosity is Appreciated

Every year we are blown away by the generosity of the Marlington community. Every year you make an even greater impact. Thank you!

From the first five students who graduated from Marlboro High School in 1927, to the 158 students who graduated from Marlington High School in 2022, the MAA is pleased to be the repository for information for the more than 14,000 alumni, faculty, and friends of Marlington.

Despite the many complications and frustrations of the past two years, the MAA has continued to grow both financially and in impact. In 2022 we awarded 57 scholarships totaling a record-breaking \$121,900.

Awards ranging from \$500-\$10,000 were given to students who met the varied criteria of specific, named scholarships, funded and supported by alumni and friends like you.

Your continued investment in our community, in the lives of students, and in the next generations is meaningful and appreciated. With your help, since our inception in 1989, the MAA has awarded a remarkable 671 scholarships totaling \$1,081,150. Thank you!

Some awards are based on academic excellence. Others affirm those solid "B" students who demonstrate the work ethic you value. Still others acknowledge an interest in a particular field of study or career path. We invite you to consider establishing a named scholarship in honor or memory of someone special. Your gift of \$10,000 or more, using current assets or funded in the future by your estate, is an investment in the future and a permanent legacy for you and your family.

When you give to the MAA, you invest in the lives of some remarkable students. Your support of \$25, \$50, \$100, or \$10,000 helps great kids succeed. Thank you for all you do!

Michelle (Vaughan) Bakan ('81)

Record \$121,900 Awarded in Scholarships

The Marlington Alumni Association (MAA) held its 33rd annual banquet and meeting on Monday April 25, 2022 at the Hartville Kitchen. MAA President Michelle (Vaughan) Bakan ('81) opened the meeting greeting the nearly 300 attendees. Bakan gave an update on the work being done by the organization, saying the MAA has grown every year due to the hard work of the Alumni Board and generous gifts from alumni, friends, and families.

New board members Robert Devies, Ph.D. ('64) and Joyeanna (Sheaffer) Jones ('07) were

welcomed. Outgoing board members Sam Bacon ('54), Jan Essick ('05), Karen Humphries ('83), and Martha (Dickerhoof) Palmer ('77) were thanked for their years of dedication and service.

Clyde Lepley ('68), John Oyster ('90) and Michelle (Vaughan) Bakan ('81) presented 57 scholarships to 43 students, awarding \$121,900! This record-breaking total was made possible by the new and existing scholarship endowments established through the generosity of Marlington alumni and friends. Thank you!

Where Are They Now?

The MAA is always pleased to receive updates from former Marlinton students. Feel welcome to share your news and information by sending an email to marlingtonalumni@yahoo.com.

Daniel Snyder ('61) was recently re-elected as Vice Mayor of Eloy, AZ. A city of 17,000, Eloy is home to SkyDive Arizona, one of the largest skydiving facilities in the world and host to national and world championship events. The city is also home to the largest ostrich farm in the world outside of South Africa. "Eloy has lots of sunshine, low humidity, no tornados, no hurricanes, no snow, and few bug problems with clear dark sky nights enabling perfect star gazing," says Snyder.

Snyder graduated with a degree in Engineering from Georgia Tech and for 27 years was a driver for the Pro Football Hall of Fame Enshrinement Committee. After 48 years in the bearing industry, he retired from SKF USA as Director of Application Engineering. He now operates Bearings and Lubes Consulting, LLC and is director of the local Chamber of Commerce. Snyder and his wife, RoseAnn, a Sandy Valley graduate, have been married for 45 years.

Skip Coulter ('63) fondly remember his years at MHS. "I had a wonderful experience at Marlinton! Mr. Burke helped us start a debate team and I ended up coaching debate for 40 years." When remembering others who impacted him, Coulter said, "I can still sing the Christmas carols in Latin that Mrs. Ramser taught us. And Mr. Hazen was one of the finest leaders I've known." Coulter's mother, Fern, is anecdotally credited with writing the Alma Mater. The MAA is searching for documentation. If you have details, please feel welcome to share!

Dave Mазzie ('84) taught high school English for the Lorain City Schools, primarily classes with a concentration on college writing. "I wasn't a very good high school student but my teachers were so good that it allowed me to be successful in college and to excel as an educator. I'm forever grateful to the teaching staff at MHS."

James Obney ('85) graduated from Case Western in 1987 and the Medical College of Ohio at Toledo in 1993. Currently Jim resides in Columbus, Ohio where

he works as a cardiothoracic surgeon in the Mount Carmel Hospital system. Jim is also enrolled in the Healthcare Law, Policy, and Management program through Texas A&M School of Law, a 2-year JD program. His aspiration is to become the CEO of a hospital system.

Connie (Augustein) Hughes ('87) is a Corporate Recruiter at Robert Half International, the world's largest specialized staffing firm focused on temporary and permanent skilled professionals.

Eric Wright ('87) has worked for the Department of Defense, Civil Service for more than 33 years. "I am in the metrology field, the science of weights and measures, as a Quality Assurance supervisor." Eric is a permanent Deacon for the Roman Catholic Church. He and his wife have been married 30 years and have 7 children and one granddaughter.

Dan Reed ('89) is a US Army veteran. He is currently the Battalion Chief for the Canton Fire Department where he has served for 29 years. He is also the Fire Program Coordinator for Stark State College.

Jennifer (Gallina) Ritchie ('92) and **Mike Ritchie** ('91) have been married 24 years and have twin 16-year-old daughters who attend Marlinton. Jenny has a Master's degree in education and has been teaching 6th grade reading and language arts at Marlinton Middle School for 25 years. This year Mike will celebrate 30 years with Kenmore Construction Company in Akron where he is the purchasing superintendent.

Michele (Scholl) Bing ('92) has been a nurse for 14 years and is currently a staff nurse on a medical surgical unit at University Hospital. "I still live in Alliance, have three beautiful adult children, and a wonderful husband."

Meet our New Board Members

Each year the Marlinton Alumni Association Board of Trustees seeks to add members who will enthusiastically fulfill our organization's purpose to make a difference in the lives of past, present, and future Marlinton graduates. Meet the two people who agreed this year to share their time and talent for the benefit of our Association.

Robert K. Devies, Ph.D. ('64) is a co-founder of Psychological and Family Consultants, Inc. (PFC) in Canton. He earned a B.A. in psychology and M.A. in rehabilitation counseling from Bowling Green State University. He later earned an M.A. in clinical psychology from Akron

University and Ph.D. from Kent State University. He holds membership in the American Psychological Association (Divisions of Neuropsychology, Health Psychology, Independent Practice of Psychology and Rehabilitation Psychology), Ohio Psychological Association, and National Registry of Health Service Providers in Psychology. Dr. Devies holds privileges at Aultman and Alliance Community Hospitals and Affinity Medical Center. He has also held clinical professorships in psychology at Ohio University School of Osteopathic Medicine and Northeast Ohio Universities College of Medicine.

After working in community corrections and vocational rehabilitation from 1968 through 1975, Dr. Devies established PFC in 1976. From 1973 to 1982 he was Associate Professor and Chairman of the Departments of Psychology and Graduate School of Counseling at Walsh University. From 1983 he has been the consulting psychologist for the Internal Medicine residency program at Aultman Hospital and Assistant Professor in the Department of Internal Medicine at Northeast Ohio Universities College of Medicine. Finally, Dr. Devies has served PFC as president or chief executive officer since 1995.

PFC practice specialty areas include adult forensic psychology, medical inpatient/outpatient consultation, rehabilitation, criminal and civil court consultation, and assessment and treatment of emergency service providers.

Joyeanna (Sheaffer) Jones ('07) is an Intervention Specialist at Stow - Munroe Falls High School, where she has served for the past seven years. Following graduation from Marlinton in 2007, Joye followed Lake graduate Dave Jones to Kent State University

to pursue a degree in Mild/Moderate Intervention. They married in 2009, and graduated in 2012. In May 2022 Joye graduated from Concordia University Chicago with a M.A. in Educational Leadership. She has a personal goal to become a Director of Student Services.

Working in the Math Department, Joye enjoys working with students across a wide range of abilities and options for their futures. "I'm attempting to instill a lifelong understanding (if not begrudging enjoyment) of Algebra 1 and Geometry into freshmen and sophomores! I look forward to joining the MAA board. I come from a long line of Marlinton graduates, and ensuring students have an equal opportunity to excel in the post-secondary education opportunity of their choice is important to me."

She and her husband reside in Hartville with their three-year-old daughter, Adelaide.

The Marlinton Alumni Association welcomes Bob and Joye to the Board and looks forward to the experience and expertise they each bring.

Currently, our Board of Trustees consists of 19 people. Each person is required to serve on at least one committee. If any alumnus is interested in serving on the Board, please contact any current Board member or visit our website, marlintonalumni.org for more information.

New Scholarships Established

The Marlinton Alumni Association is pleased to announce two new scholarships benefitting Marlinton students. Each scholarship focuses on specific interests and academic pursuits. For more information about establishing a named scholarship, email marlintonalumni@yahoo.com or contact MAA Board member, Vondea Sheaffer, at (330) 697-4036.

The Mike and Linda Pauli and Family Scholarship was established in 2022 to support worthy Marlinton seniors pursuing two-year tech or trade programs.

Mike ('68) and Linda (Hoover) Pauli ('68) started dating as sophomores at Marlinton and married in 1969. Mike began performing electrical work as an apprentice in the early 1970's. After serving in the US Army, Mike founded Pauli Electric in 1975 as a one-man shop. Early on, the company performed primarily residential and farm work. In the early years, Linda helped with billing and administrating payroll.

The company's reputation for quality work grew through the years as did its size. Today, Pauli Electric provides residential, farm, industrial and commercial electrical work, and services fire alarm systems and generators. The company has 18 dedicated employees, a number of whom are fellow Marlinton graduates.

Mike serves as a Lexington Township trustee. He's active in the Alliance Chamber of Commerce, the Alliance Area Development Foundation, Independent Electrical Contractors Association, Better Business Bureau, and the Eastern Stark County Safety Council. Mike served on the Stark Development Board and was the Alliance Chamber of Commerce president. In 2007 he was the recipient of the Chamber's Spirit of Enterprise award. "The community is good to me, so it's easy to give back," said Mike. "I enjoy working with people and have made a lot of good relationships through service."

Linda earned her Nursing Degree from Walsh University, her bachelor of Arts in Management from Malone University, and has completed post-graduate work at the University of Akron. She has a Licensed Practical Nurse certificate from Timken Mercy Hospital School of Practical Nursing, an Emergency Medical Technician certificate from Alliance Community Hospital, and a Pharmacy Technician Certificate from Stark State College.

With a passion for education and lifelong learning, Linda served 25 years as the Director of the Student Health Center at the University of Mount Union where she established many health-related educational opportunities for students including writing a health newsletter and establishing a health fair for students.

Linda was the first to obtain additional credentialing from the American Nurses Credentialing Center, recognizing the specialty of College Health Nursing and showing expertise in that field of nursing.

Linda has served on many community and professional boards including the American Heart Association (Alliance Division), Alliance Area Domestic Violence Shelter, Alliance YWCA, and the Alliance Woman's Club.

The couple have four children, all Marlinton graduates. Daughter Michelle (Pauli) Bade ('90) lives with her husband Chris in Muncie, Indiana where she is a music teacher. Their sons Michael ('93) and wife Brenda, Matthew ('00) and his wife Jamie, and Mark ('02) and his wife Kristen, all live in the area. Michael and Matthew work with their father at Pauli Electric. Mark is employed by Kenan Advantage in North Canton. Mike and Linda have 12 grandchildren.

The Ede Caretta Family Scholarship was established in 2022 in honor of Ede's devotion to students experiencing difficulties or having special needs.

Ede was born Edith Rosemary Caretta on March 22, 1947 in Alliance to Ernest V. and Parma J. (Soviero) Caretta. Known all her life as Ede, she died February 14, 2022 at the age of 74.

Ede received her Bachelor of Science in Special Education from St. Mary's College, returning to dedicate her 37-year career to her beloved students at Marlinton High School.

She was a devout member of St. Joseph Catholic parish (Alliance, Ohio) and the Alliance Catholic Community. She cared deeply about her hometown and enjoyed volunteering at the Alliance Woman's Club, Alliance Catholic Worker House, and was a member of the Alliance Area Retired Teachers Association.

Ede cherished her many pets and for those she couldn't give a home, she found time to visit and play with them through volunteering at local animal shelters. She attended book clubs and other events at Rodman Public Library, where she was well-known, and shared her passion for reading with others through the YWCA book community.

In honor of Ede's heart for students and love for her family, this scholarship will be awarded to students who have succeeded despite difficulties or are pursuing a career in helping others.

Your Legacy, Their Future

One of the Marlinton Alumni Association's greatest sources of hope for future Dukes are legacy gifts from alumni and friends like you!

Legacy donors, individuals who have included the MAA in their estate plans, come from all walks of life, some from modest means and some from wealth. Their common ground is their passion for future Dukes and a desire to invest in something that will provide a permanent legacy.

Bequest

A will or trust directs how you want your property distributed upon death. You may consider including the Marlinton Alumni Association as a beneficiary in your will, designating a percentage or specific amount.

Wills and trusts must meet certain legal requirements. Talk to an attorney about what is best for you and your family, and how you can also accomplish your philanthropic goals.

Beneficiary Designation

In addition to plans defined by your will or trust, there are also ways you can express your intentions that do not require the assistance of an attorney:

Retirement Plan, IRA, 401(k), 403(b) Beneficiaries

Most retirement assets are subject to both income tax and estate taxes. You may choose to name one or more charities as beneficiary of all or a portion of your retirement account. Upon your death, funds would transfer, free of income or estate tax. Consult your financial institution or investment advisor to update your designations.

Payable on Death (POD) or Transfer on Death (TOD)

You can easily include one or more beneficiaries on your bank account, certificate of deposit, or brokerage account. Simply speak with your financial institution to have a Payable on Death (POD) or Transfer on Death (TOD) designation added to your account. While the notation does not change your ownership, it causes the funds in your account to pass directly to your named beneficiaries upon your death.

Insurance Beneficiary Designation

You may name one or more charities as the beneficiaries of part/all of the death benefit from an insurance policy. As with POD/TOD options, your beneficiary designation might give a portion to charity and provide for the balance to be divided as you designate. You can make a beneficiary change on your own or with the assistance of your insurance agent.

Donation of Appreciated Securities

To avoid paying capital gains tax, consider a gift of your appreciated stocks, now or in the future. You can support the program of your choice and deduct the full value of the security. Your bank or investment advisor can conveniently administer the transaction.

Suggested Gift Designation Language

A charitable bequest to the Marlinton Alumni Association can easily be written into your will using language such as this: "I give and bequeath to the Marlinton Alumni Association (MAA), tax Identification Number 34-1670638, PO Box 6001, Alliance, OH 44601 (Insert specific amount, asset, or percentage of your estate)."

For a confidential conversation about the ways your gift can be used to support the Marlinton Alumni Association, feel welcome to contact board member Vondea Sheaffer, at (330) 697-4036 or marlintonalumni@yahoo.com.

Make it Monthly!

A growing number of loyal Dukes have become part of our circle of monthly donors. Thank you for sustaining the growth of the MAA!

If you would like to make a recurring donation, of any amount, it can be accomplished utilizing the method that works easiest for you. Your gift can support our general scholarship program or can be directed (just add a note!) to the fund of your choice. Here are two options you might consider:

- Add the Marlinton Alumni Association to your bank account as a recurring "bill pay" option. Your gift will be automatically and conveniently mailed to the MAA at a date you determine.
- Establish a recurring gift with PayPal. Go to our website, marlintonalumni.org. Simply click "Give to MAA," then "Donate." After determining the amount of your monthly gift, check "Make this a monthly donation." Your gift can be charged to your credit card or debited from your bank account. It's all up to you!

Alumni Give Back

Giving back and paying forward are ways alumni contribute to the goals and financial success of the Marlington Alumni Association. We'd like to share some of their stories.

The Country Gentlemen contribute in honor of Betty Davis

In 1978 a group of Marlington students dubbed The Country Gentlemen were enjoying such local success as performers and entertainers that they produced a record album. From 1995-2005 the group sang together as the Majesty Gospel Quartet, performing for local churches and social gatherings. Eldon Brugger ('78), Philip Sheaffer ('78), Bruce Wolf ('77), and Dean Wolf ('78) enjoyed socializing with one another and tantalized audiences with their voices.

The group recently made a gift to the Marlington Alumni Association in honor of former Marlington music teacher Betty Davis. "She was our music teacher while at Marlington, and a huge influence in each of our lives in the area of vocal music," said Sheaffer. Because music played a major role in their lives, their gift will support an existing music-focused scholarship.

Janene (Muckley) Gorham ('66) Supports Strouble Scholarship

Janene (Muckley) Gorham ('66), recently supported the Howard and Berdine Strouble Scholarship when she read about the Strouble's establishing this legacy. Janene grew up on the neighboring farm. She used to babysit for the Strouble family and remembers "Berdine's kindness and hardworking spirit." After Janene's father passed away in 2000, Carl Strouble, Howard, and Berdine's son, purchased the Muckley farm. "I will always have fond memories of growing up on that small farm surrounded by the Strouble homestead," commented Janene.
