

# District Family Honors Marlboro “First Lady & Gentleman”

## *Mary Elizabeth & Harold Devies Memorial Scholarship Established*

**Harold (Bud) Devies and Mary Elizabeth (Betty) Devies** both graduated from Marlboro High School in 1939. Bud lived to be 93 years old and Betty lived to be 96. Betty was Salutatorian of her class and Harold was their class president.

Betty graduated from the Aultman School of Nursing in 1943 and worked as a registered Nurse with Alliance City Hospital. Bud was a staff sergeant with the United States Army Air Corps and served in Panama during WWII. Betty served as a charge nurse with the Army Nurse Corp during World War II in both the United States and the European Theater. While serving in the military Betty loved to dance. She and Bud were married May 31, 1946 until his death in 2015. When her three children wondered why they had never seen their parents dance, Betty said “We did. We did the night-time rock the babies dance.”

Betty worked at Alliance City Hospital after the war, but when she had children she was determined to be a stay-at-home mom, later working only weekends. Her children, daughters Aleda and Bonnie and son Leslee, remember getting up on Saturday and watch cartoons with their dad, until time for Mom to come home. Then the kids would scramble to get dressed, clean up the house and do dishes before she got home. Bud usually managed to work up a sweat and look like he’d been working all day. Church was an important part of Bud and Betty’s life, and their Sunday school class was very special to them. They

raised their families together, celebrated successes and mourned losses together for a lifetime.

Betty was a faithful friend and a nurse to all. People in the community would often stop by her home and she would help and administer their medications. She was an amateur historian and prolific writer. With her manual typewriter she authored two books,

*Marlboro My Home Town* and *A Nurse’s Letters Home*. When living at Canton Christian Home she belonged to their writing group. Bud was a member of the Marlboro Volunteers and an avid bowler. He was a plant supervisor with Columbia Gas, retiring in 1983 after 43 years of service.

Bud and Betty were members of Marlboro Christian Church. Betty served as a Women’s Guild member of the Aultman Alumni 50 Year Club, AARP Chapter 3932, Jane Bain Chapter of the DAR, Marlboro Township Historical Society, Marlinton Senior Citizens, Marlinton Alumni Association, and Marlinton Memorial Day Association. The couple were honored to ride in the Marlboro Memorial Day Parade with the Marlboro Volunteers for many years. Bud and Betty will be remembered most for caring about their family, church, and community. According to her daughter, “Marlboro was as important to them as we were!”

This scholarship will support students with an interest in nursing or medicine and will forever honor the Devies’ commitment to their community.

# Banquet Celebrates Past, Future

**By Vondea (Bohaychyk) Sheaffer ('76) President**

For nearly thirty years, the MAA has hosted an annual banquet with only two official purposes in mind: recognize and honor our most recent Outstanding Alumni Award recipient, and award scholarship to deserving graduates. Those are lofty and valuable purposes. Over the years, however, I've watched the banquet come to provide something else. Something rich and meaningful. Something surprising and wonderful.

With each new scholarship, we bring a family's story of love and hope, of honor and perseverance, to the community. We share each family's legacy.

As part of the evening, students receive their financial award and the personal story of the scholarship is shared. Some awards, established after a difficult loss, are very emotional. Other awards were created to honor the memory of amazing teachers or cherished parents. They're celebratory. Whatever the reason, whatever the motivation, each scholarship becomes part of the rich history of our district. Each award is a permanent legacy honoring an individual, family, or class.

In 1989, the MAA awarded two scholarships totaling \$200. By 1997 we were able to award four scholarships, totaling \$6,000, and by 2001 we provided seventeen awards totaling \$14,000. Each new scholarship telling another story of someone special. If you were in the audience this past spring, you know that as forty-five scholarships, totaling \$76,000 were awarded, you also learned about the people, the businesses and the history of our district.

You can't live forever. Neither can I. But, with a permanently endowed scholarship, you can get a whole lot closer. If you want to come away with a full heart and a better understanding of our community, come to the banquet next April. It's worth it. If you want to live forever, call me about establishing a scholarship. It's your legacy of good.

## **AMP Up Your Connections!**

### **MAA Launches New Mentoring Program**

Are you approaching your college graduation and looking for that first job? Are you transitioning careers and in search of solid advice? Or are you an accomplished professional with a desire to give back to your Marlinton community?

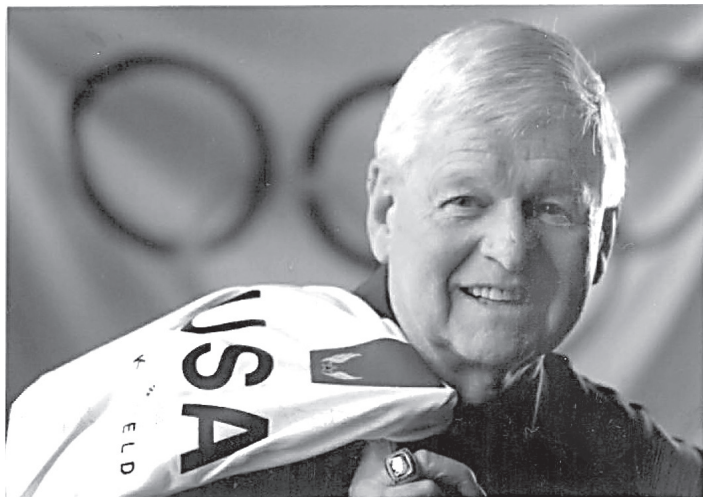

The Alumni Mentoring Program (AMP) is designed to connect new graduates and young alumni to one of our experienced graduates who might offer career guidance and support. The program is structured for 1-1 email and phone-based dialogue. Personal contact is optional and entirely up to participants. Our goal is to match candidates in chosen career fields, but other areas of commonality may include

geographic location or other strong common interests.

The program is administered by the MAA Mentoring Committee. As closely as possible, we'll match candidates based on desired career paths. If we are unable to make an exact match, we'll do our best to identify an alum who best fits your needs.

If you are interested in participating as a Mentee or Mentor, go to [www.marlingtonalumni.org](http://www.marlingtonalumni.org) and click on the Mentorship Program tab. Review the policies and complete your application. The committee reviews applicants twice per month and provides matches and feedback as quickly as possible.

## **Where Are They Now?**

**Jack Hazen** ('58) and longtime Malone University cross country coach was recently inducted into the US Track and Field Cross Country Coaches Association Hall of Fame.

Hazen, a Malone coach for the past 51 years, was recipient of the MAA Outstanding Alumni Award in 1998. Under Hazen's leadership, the Malone's men's cross-country program qualified for the national meet every year during the

institution's time in the National Association of Intercollegiate Athletics (NAIA), never losing a conference/district meet from 1968 to 2010 – a 43 year streak unmatched in collegiate sports.

Author of several textbooks on coaching, Hazen has served in numerous international coaching roles. Most recently, he served as assistant coach for the USA Track and Field Team at the 2012 London Olympic Games where he worked with Team USA's distance runners. Other international appointments include Head Manager for the 1999 Junior Pan American Track & Field Team, twice serving as the U.S. Coach for men's cross country at the World Championships in Boston and Capetown, South Africa, and assistant coach for the U.S. World Championship meet in Helsinki, Finland in 2005. Jack has coached two Olympians and served on the Track and Field Competition Management Team at the 1996 Atlanta Olympics.

Congratulations, Jack. for your many years of positive influence on young athletes!

# Golf Outing Raises Funds, Spirits

On Friday, July 22, the Marlinton Alumni Association (MAA) hosted its 2018 golf outing at Tannenhaut Golf Course. This marked the 22nd year of the annual event, the biggest of the organization's fundraisers. Over \$13,500 was raised through sponsorships and 32 teams of 4 golfers.

As always, participants enjoyed breakfast, a great round of golf, and a steak dinner. Door prizes were awarded for every player, a yearly highlight, as well as prizes for contest winners. Lavery Automotive sponsored their annual contest at hole #11, giving golfers the opportunity to win a Chevrolet Cruze with a hole-in-one. To date, no one has yet accomplished the feat.

The first-place team, with a score of -16, was Josh Frase ('02), Jeff Frase ('80), Zach Keller, and Jon Clark. Second place, with a score of -15, was John Oyster ('90), Shawn Dillon ('88), Dave Mazzei ('84) and Joe Knoll ('84). The third-place finishers with a

score of -14 was the Marlinton High School team sponsored by the Don Krabill family consisting of members Austin Williamson, Augie Warner ('18), Bella Warner and Erica Headley.

Our second annual "Crazy Outfit" contest winners were team JC Masonry Construction: Jeni Menigay, Lynn (Ermlich) Francis ('78), Amy Swisher and Carole Sutton. The first Eagle on hole #5 winner was Jim Elmerick, for which he won a chest freezer from Grove Appliance TV & Audio. A putting contest was added this year for the first time and the two hole-in-one winners, John Oyster and Ben Jackson, each received \$100.

This successful event was organized by the MAA's Golf Committee members Emily (Wallace) Deack ('08), Laurie (Santschi) Gemberling ('77), Kevin Krabill ('86), Bill Liber ('65), Martha (Dickerhoof) Palmer ('77), Jerry Peterson ('68) and Kent Walter ('70). Next year's event is scheduled for July 19, 2019!

# 2018 Outstanding Alumni Honored

The 2018 MAA Outstanding Alumni award recipient is **SMSGt Frederick L. Elsass**, who enlisted in the United States Air Force in January 1962. After basic training and aircraft maintenance training, he was assigned to Travis Air Force Base in California to maintain the C-124 aircraft. Fred served in Vietnam for a year and then returned to the states, assigned to Lockbourne Air Force Base, now known as Rickenbacker, at Columbus, Ohio.

In January 1972, Fred was assigned to Strategic Air Command Dyess Air Force Base at Abilene, Texas and remained there for seven years. During that time, he was promoted to Master Sergeant. He moved from there to RAF Fairford, England in July 1979 where he was responsible for developing a training program. His efforts were recognized by an excellent rating by the Strategic Air Command Inspector General. This is where he met his wife, Jill.

In 1980 he returned to Dyess Air Force Base and was promoted to Senior Master Sergeant responsible for the health, welfare, morale and discipline of all the enlisted personnel in the squadron and chief adviser to the squadron commander concerning the enlisted force.

Fred's knowledge and experience in opening the base at RAF Fairford gave him the next opportunity to take part in opening a similar base at RAF Greenham Common which was to house Ground Launched Cruise Missiles (GLCM) with nuclear capability. He arrived in January 1983 and became the First Sergeant of the Security Police Group who was to guard the nuclear missiles. It

was to grow to a unit of 375 enlisted personnel. This brand-new unit was activated in January 1984 and received an outstanding rating from NATO.

Fred was identified as the leader of the best group of First Sergeants in the Command. The Cruise Missile program was the tip of the spear and had a strong hand in causing the Soviet Union to crumble.

Returning home in 1985 Fred was once again assigned to Dyess Air Force Base and returned to the duty of Training Superintendent for the brand-new B-1B bomber. He was responsible for the training and qualification for more than 900 technicians and about 50 career fields. One year later the unit received an

outstanding rating from the Strategic Air Command Inspector General Operational Readiness Team.

After 27 years, one month and 21 days Fred retired on his birthday, March 1, 1989. His decorations include but are not limited to, two Meritorious Service Medals, four Air Force Commendation Medals and nine Air Force Good Conduct Medals.

At the MAA's banquet, Rich Desrosiers, Executive Editor of the Canton Repository, introduced Fred, highlighting his service in the Air Force as well as his community philanthropy. In his remarks to those in attendance, Mr. Elsass said "The Air Force afforded me my greatest opportunities." He listed "three really smart things" he has done in his life which include quitting smoking, joining the Air Force, and marrying Jill. He cited Marlinton teacher and founder of the Marlinton Alumni Association, Eleanor Ramser, and his father as his role models.

# Marlington Honors Veterans

On Friday, November 10, the Marlington Alumni Association (MAA) joined with members of the Class of 1966 to honor fallen classmates at the annual Marlington High School Veterans Day Program.

While planning their 50th reunion two years ago, graduates from the Marlington High School Class of '66 recounted the impact of the Vietnam War on their class. Like other schools in Stark County, their class lost more men in military service than any other classes. In response, they chose to honor those fallen by establishing an MAA scholarship in their memory, and discussed the merits of a permanent recognition plaque to honor all fallen Marlington Alumni.

The group approached fellow classmates, community leaders and businesses and garnered support for the bronze memorial. Before the memorial was unveiled, biographic information about each of the Marlington alums who gave their lives in military service to our country was presented by Tom Swartz ('66), John Thomas ('66), Deborah White, mother of Ashley White, and MAA President, Vondea Sheaffer.

In order of presentation: Francis Vadas, a 1942 graduate of Marlboro High School, was just 21 years old when he was killed in France during WWII; Alvis Faverty, a 1965 Marlington High School graduate, died August 18, 1968 in Vietnam at the age of 21; Denny Wahl, graduated in 1966 and was killed in Vietnam July 21, 1967; Rome Edward (Eddie) Dimmerling, graduated in 1966 and died in Vietnam at the age of 19 on April 20, 1968; William (Bill) Harley Prather graduated in 1966 and died in Vietnam on September 12, 1968; Ronald Garrison died January 21, 1971 in Vietnam; and Ashley White,

a 2005 graduate died October 22, 2011 in Afghanistan at the age of 24. Recognition of Paul Fox ('38) has since been added. Paul served in the US 7th Army and died in 1945

in a German POW camp.

The plaque honoring these alums will hang in the hallway of the high school as a permanent reminder of the greatest sacrifice given.
