

# You Make Great Things Happen!

FALL 2021

***Submitted by Michelle (Vaughan) Bakan ('81), MAA President***

With each passing year, your Marlington Alumni Association (MAA) makes a greater impact. Thank you!

From the first five students who graduated from Marlboro High School in 1927, to the 154 students who graduated from Marlington High School in 2021, the MAA is pleased to be the repository for information for the more than 14,000 alumni, faculty, and friends of Marlington.

Despite the many complications and frustrations of the past two years, the MAA has continued to grow both financially and in impact. In 2021, 43 students received 52 scholarships totaling a record-breaking \$93,800. Awards ranging from \$500-\$10,000 were given to students who met the varied criteria of the MAA Scholarships and some 37 named scholarships, funded and supported by alumni and friends like you.

Your continued investment in our community, in the lives of students, and in the next generations is meaningful and appreciated. With your help, since our inception in 1989, the MAA has awarded a remarkable 614 scholarships totaling \$959,000. Thank you!

Some awards are based on academic excellence. Others affirm those solid "B" students who demonstrate the work ethic you value. Still others acknowledge an interest in a particular field of study or career path. We invite you to consider establishing a named scholarship in honor or memory of someone special. Your gift of \$10,000 or more, using current assets or funded in the future by your estate, is an investment in the future and a permanent legacy for you and your family.

When you give to the MAA, you invest in the lives of some remarkable students. Your support of \$25, \$50, \$100 or \$10,000 helps great kids succeed. Thank you for all you do!

# Where Are They Now?

The MAA is always pleased to receive updates from former scholarship recipients. Feel welcome to share your news and information by sending an email to [marlingtonalumni@yahoo.com](mailto:marlingtonalumni@yahoo.com).

**Kristin Raj** ('03) received a Marlinton Alumni Scholarship. She earned a degree in biomedical engineering from Case Western Reserve University and a Doctor of Medicine degree from Stanford University. She is now a clinical assistant professor at Stanford School of Medicine and co-chief of the mood disorders section in the Department of Psychiatry and Behavioral Sciences. Dr. Raj and her husband have a one-year old daughter and love living on the west coast.

**Kathie (Haywood) Miranda** ('93) received the Ford C. Davis Scholarship. She started her college education at Kent State University and Northeast Ohio Medical University (NEOMED), then transferred to Houghton College. Kathie completed her MA in Counseling from Eastern University in PA. She has worked at several universities and is currently Registrar for NEOMED. Kathie, a past Carnation Queen, gladly supports Marlinton. Her two children are Marlinton students and she is secretary of the Band Booster Parent Association. She is an active member of Grace Community Church. Kathie still follows her class speech, entitled 'Leadership and Love.' "I still value these two words and concepts, striving to lead the way for others—who can learn from me, both my successes and mistakes, with the goal of loving others well and sharing the love I've found in Jesus throughout my life's journey thus far."

**Danielle (McIntosh) Hawk** ('97) received a Marlinton Alumni Scholarship. After graduating from the University of Mount Union she was a middle school math teacher in Minerva. She is currently the principal of Malvern Elementary

School. Danielle, her husband Aaron, and their three sons live in the West Branch School District. Her favorite quote is by John Wooden, "You can't live a perfect day without doing something for someone who will never be able to repay you."

**Doug Haidet** ('00) attended Point Park University in Pittsburgh, PA, majoring in Journalism and playing baseball. He was a two-year team captain and two-year all-conference athlete. Doug was a part-time sports writer for The Alliance Review, then landed a full-time sports writer/editor position for the Ashland Times-Gazette. Currently he serves as the regional (four counties) advertising representative for Gannett media, part of the USA Today Network. Haidet is proud of his sports writing staff, frequently named in the Top Three Best Sports Section by the Ohio Associated Press Media Editors. Doug was several times named Best Sports Writer and Best Sports Columnist. He lives in Ashland, Ohio with his wife Christy, newborn son Murphy, and Tito the cat. When asked if he had words of wisdom, Doug said, "I've always loved Matthew 16:26. 'For what profit is it to a man if he shall gain the whole world and lose his soul?' I've always felt it was a verse to keep in mind when making big decisions in life."

# Meet our New Board of Trustees Members

Each year the Marlinton Alumni Association Board of Trustees seeks to add members who will enthusiastically fulfill our organization's purpose to make a difference in the lives of past, present, and future Marlinton graduates. Meet the four people who agreed this year to share their time and talent for the benefit of our Association.

**Tierney (Teeters) Bratten** ('85) not only lives in the district but has taught 21 years at Marlinton Middle School in the areas of technology, financial literacy, and life skills. Tierney said, "I have a passion for Marlinton and want to use my skills to

make sure that we continue to serve our students and alumni in the best possible manner." As an alumnus, a parent of an active high school student, and an educator, Tierney brings a wealth of knowledge and contacts to the MAA Board.

**Joyce Lamb** ('83) is a recently retired attorney and feels she has the time to contribute to the alumni activities and proceedings. Joyce is very supportive of student scholarships. For the past 10 years she has served on the Board of Trustees for

Ashland University (3 years as chair and currently vice chair). Joyce is also chair of the Alliance Civil Service Commission and Magistrate in the Hartville Mayor's Court. Her skills will be invaluable to the MAA. Joyce said, "After practicing law for 30 years, I have developed many relationships with alumni. I have legal expertise that will be helpful, as well as experience with higher education."

**Sandra (Sandi) (McCallum) Mascitti** ('89) is currently a kindergarten teacher for Alliance City Schools and wants to give back to Marlinton. Sandi's enthusiasm is delightful and when asked what talents she brings to the Marlinton Alumni Association, Sandi

commented, "... the gift of gab. I love to talk, to share information, and to try to get people excited about education and realizing that learning new things is a gift that should never be unopened."

**Michele (Barker) Rankin** ('85) is retired from Goodyear where she worked in management positions in Finance and Human Resources. She married her high school sweetheart, Tom, and helped start Rankin Lawncare. Their two children,

Alex ('08) and Holly ('11), are also graduates of Marlinton. Michele has stayed involved in the school and coached 8th grade, 9th grade and JV volleyball for several years. She said, "I am enjoying retirement, which has provided me more time to get involved with the MAA."

*Currently, our Board of Trustees consists of 23 people. Each person is required to serve on at least one committee. If any alumnus is interested in serving on the Board, please contact any current Board member or visit our website, [marlingtonalumni.org](http://marlingtonalumni.org) for more information.*

# Pauli Awarded MAA Highest Honor

Mike Pauli ('68) was the recipient of the 2021 Marlington High School Outstanding Alumni Award.

After serving in the U.S. Army, Mike began Pauli Electric in 1975. The company has remained an important part of the greater Alliance community.

In the early 1970's, Mike began performing electrical work as an apprentice. In 1975 he established Pauli Electric as a 'one-man shop.' In the early years the company served primarily farms and residential properties. As the company grew in size and scope, so did its reputation for quality work. Today, Pauli Electric provides service to residential, farm, industrial, and commercial customers, also expanding into fire alarm systems and generators. The company now has 18 dedicated employees, many of whom are fellow Marlington graduates.

As a community leader, Mike serves as a Lexington Township trustee. He's active in the Alliance Chamber of Commerce, Independent Electrical Contractors Association, Better Business Bureau and the Eastern Stark County Safety Council. Personal memberships include the Alliance Country Club and Alliance Elks.

Mike and his wife, Linda (Hoover) Pauli are both 1968 graduates. They started dating as sophomores at Marlington and married in 1969.

The couple has four children, all Marlington graduates. Daughter Michelle (Pauli) Bade ('90) lives with her husband Chris in Muncie, Indiana where she is a music teacher. Their sons Michael ('93) and wife, Brenda, Matthew ('00), and his wife, Jamie, and Mark ('02), and his wife Kristen, all live in the area. Michael and Matthew work with their father at Pauli Electric. Mark is employed by Kenan Advantage Group in North Canton. Mike and Linda have 12 grandchildren.

The Marlington Alumni Association is proud to recognize Mike Pauli as the 2021 recipient of the Marlington Alumni Association Outstanding Alumni Award.

## **Govern-Schisler Family Celebrates Decades of Grads**

The Govern-Schisler Family Scholarship was established in 2021 by Jodi Govern ('82) in honor of her family. Jodi attended The Ohio State University and obtained a BA in Political Science in 1986, and graduated from The Ohio State University College of Law in 1989. She worked as an attorney for the State of Ohio for 30 years and lives in Dublin, Ohio.

Jodi's mother, Geraldine (Schisler) Govern, graduated from Marlboro High School in 1957. Geraldine was well known throughout the community. She worked at the Marlboro Cemetery for over 50 years and served on the Marlboro Memorial Day Committee.

Jodi's sister, Kim (Govern) Niskanen, graduated from MHS in 1984. Kim graduated from The Ohio State University and Kent State University. She is a high school Spanish teacher in Virginia.

Jodi's brother, Rick Govern, graduated from MHS in 1986. Rick and his wife Jeanine (Funk) ('88) own and operate businesses in the area.

This scholarship will be awarded to a deserving Marlington graduate attending any Ohio public university, with a preference given to students attending The Ohio State University.

The MAA is delighted to celebrate the Govern-Schisler family with this special award!

### *Longstanding Award Honors Life of John Liber*

## **Liber Service Award Permanently Endowed**

Since 1968, the John Liber Service Award has been annually awarded to a Marlington student who has demonstrated genuine concern for others, a concern which reflects itself in the form of active and unselfish service within the school and community.

This longstanding Marlington recognition was recently endowed by William Liber ('65), and Nancy Liber, wife of the late John. D. Liber, ensuring the permanent legacy of this award.

John Liber served on the Marlington School Board for 17 years and spearheaded the drive to build Washington School, Lexington School, and the Marlington High School (MHS). Mr. Liber unselfishly devoted most of his adult working life to improving the education opportunities for the children of the Marlington Local School District.

This award is not based on grade point average, but more on character, service to school and community, and concern for the welfare of others.

The recipient receives an award of \$1,000, and their name is added to a plaque hanging at the entrance to Marlington High School. Annual selection of the recipient(s) will be made by a combination of the Marlington High School guidance department, teachers, and administrators of Marlington High School.

The Marlington Alumni Association is pleased to partner with the Liber family and Marlington High School to ensure permanent recognition of Mr. Liber's contribution to the district.

# Your Legacy, Their Future

One of the Marlinton Alumni Association's greatest sources of hope for future Dukes are legacy gifts from alumni and friends like you!

Legacy donors, individuals who have included the MAA in their estate plans, come from all walks of life, some from modest means and some from wealth. Their common ground is their passion for future Dukes and a desire to invest in something that will provide a permanent legacy.

## Bequest

A will or trust directs how you want your property distributed upon death. You may consider including the Marlinton Alumni Association as a beneficiary in your will, designating a percentage or specific amount.

Wills and trusts meet certain legal requirements. Talk to an attorney about what is best for you and your family, and how you can also accomplish your philanthropic goals.

## Beneficiary Designation

In addition to plans defined by your will or trust, there are also ways you can express your intentions that do not require the assistance of an attorney:

### Retirement Plan, IRA, 401(k), 403(b) Beneficiaries

Most retirement assets are subject to both income tax and estate taxes. You may choose to name one or more charities as beneficiary of all or a portion of your retirement account. Upon your death, funds would transfer, free of income or estate tax. Consult your financial institution or investment advisor to update your designations.

### Payable on Death (POD) or Transfer on Death (TOD)

You can easily include one or more beneficiaries on your bank account, certificate of deposit or brokerage account. Simply speak with your financial institution to have a Payable on Death (POD) or Transfer on Death (TOD) designation added to your account. While the notation does not change your ownership, it causes the funds in your account to pass directly to your named beneficiaries upon your death.

### Insurance Beneficiary Designation

You may name one or more charities as the beneficiaries of part/all of the death benefit from an insurance policy. As with POD/TOD options, your beneficiary designation might give a portion to charity and provide for the balance to be divided as you designate. You can make a beneficiary

change on your own or with the assistance of your insurance agent.

## Donation of Appreciated Securities

To avoid paying capital gains tax, consider a gift of your appreciated stocks, now or in the future. You can support the program of your choice and deduct the full value of the security. Your bank or investment advisor can conveniently administer the transaction.

## Suggested Gift Designation Language

A charitable bequest to the Marlinton Alumni Association can easily be written into your will using language such as this: "I give and bequeath to the Marlinton Alumni Association (MAA), tax Identification Number 34-1670638, PO Box 6001, Alliance, OH 44601 (Insert specific amount, asset, or percentage of your estate)."

For a confidential conversation about the ways your gift can be used to support the Marlinton Alumni Association, feel welcome to contact board member Vondea Sheaffer, at (330) 697-4036 or [marlingtonalumni@yahoo.com](mailto:marlingtonalumni@yahoo.com).

## Reduce Your Taxes and Support the MAA

The Coronavirus Aid, Relief, and Economic Security (CARES) Act charitable deduction has been extended to 2021 and expanded for married couples. If you don't itemize your deductions, you may receive a \$300 deduction as a single filer. Married couples may qualify for a \$600 deduction. Charitable contributions must be made on or before December 31, 2021. Consult your tax advisor for complete details.

Consider taking advantage of this 'above the line' deduction by making a 2021 gift of \$300 (individual) or \$600 (married couple) in support of the Marlinton Alumni Association!

# 2020 Memorial and Tribute Gifts

Caring alumni, friends and family members remembered and honored the following individuals with gifts to the Marlinton Alumni Association from January 1, 2020 to December 31, 2020.
