

FALL 2020

## ***Over \$90,000 in Scholarships Awarded*** **MAA Continues to Assist Students**

While 2020 has been a year of challenges and changes for everyone, with your support, the Marlington Alumni Association continues to encourage and provide financial assistance to talented and promising Marlington graduates. This year, despite the complications of COVID-19, the MAA awarded a record-breaking \$90,000 to 50 students.

Like many events this year, the Annual Meeting and Awards Banquet, originally scheduled for May 4, 2020, was postponed until June 1, and was hosted virtually rather than in-person. The restructuring of the event was just the inspiration we needed to create an MAA YouTube channel. If you were unable to attend the event, and would like to

watch the recognition of Ron Davis ('51), recipient of the 2020 Outstanding Alumni Award, you can find the full awards program when you search for Marlington Alumni Association on YouTube.

Through you, the MAA invests in the lives of Marlington graduates. In 1989 we awarded two scholarships totaling \$400. In 2020, with more than thirty years of generous support from alumni, friends, and community members, the MAA awarded more than \$90,000, a total of \$864,450 since our inception.

When you support the MAA, you advance the lives of future leaders, future business owners and entrepreneurs, and much-needed skilled tradespeople. Your generous gifts make a lifelong impact. Thank you!

# New Strouble Family Scholarship Supports Horticulture, Agriculture

The Marlinton Alumni Association is pleased to partner with the Strouble Family to establish the Howard and Berdine Strouble Scholarship. Loyal Dukes and active members of the district's farming and 4-H community, this scholarship will support students pursuing two or four-year post-secondary programs in horticulture, agriculture or any related field including veterinary medicine, agri-business, farming, etc.

Howard and Berdine married in 1955, moving into the 124 year old family farmhouse. Howard ran the grain and dairy farm, milking until he was 76 years old. Berdine managed more than 300 chickens, and for years delivered 40 dozen eggs a week, selling them to local businesses and families for fifty cents a dozen. To supplement their income, Berdine was a school bus driver, first for Lake Local Schools, then for Marlinton, retiring at age 70. Her fun-loving but no-nonsense personality

made her one of Marlinton's favorite drivers.

Each of the five Strouble children and many of their 14 grandchildren and 16 great grandchildren are Marlinton graduates. Loyal followers of Duke football, they can boast that for more than ten years there was a Strouble playing varsity football.

The Marlinton Alumni Association is grateful for the Strouble family and appreciates the rich, Marlinton legacy of Howard, Berdine, Barbara (Strouble) McCarty ('74), Joanne (Strouble) Upperman ('77), Linda (Strouble) Thorpe ('78), Carl Strouble ('81) and Carolyn (Strouble) McDonald ('83) and their families.

*The Marlinton Alumni Association is pleased to partner with families who want to establish their permanent legacy. For a confidential conversation, feel welcome to contact Vondea Sheaffer at (330) 697-4036.*

# Meet our New Board of Trustees Members

Each year the Marlinton Alumni Association Board of Trustees seeks to add members who will enthusiastically fulfill our organization's purpose to make a difference in the lives of past, present and future Marlinton graduates. Meet the three people who agreed this year to share their time and talent for the benefit of our Association.

**Carl Battershell ('66)** The name Carl Battershell is familiar to many people and he is one of the founders of the Battershell Family Scholarship.

He might be retired but he is very active in the community. Carl is a Trustee at Louisville Sportsman's Club and helps coordinate the youth sports activities. Carl also coordinates the annual Veterans Day event. He will be using those organizational skills for the Alumni Association as he will serve on the Scholarship Committee and the Golf Outing.

Carl said, "Bill Liber and Tom Swartz are friends of mine. Vondea [Sheaffer] twisted my arm and I caved in. I like the idea of helping Marlinton students who want to pursue their dreams."

**Louanne (Johnson) Kiko ('90)** After receiving an Alumni Scholarship, Louanne went to the University of Akron where she graduated Magna Cum Laude in December 1992 with an Accounting Degree. She has

worked in public accounting, private industry, and now is a business consultant.

"My business and financial experience can hopefully assist as well as just providing additional support to those who have worked so hard for so many years to develop and maintain a system that has supported many students and families. As a recipient myself, I want to continue the tradition." Her expertise will be put to good use.

Louanne is a very busy lady. She and husband, Jim operate a family dairy and grain farm. In addition to keeping up with her family, Louanne belongs to the Paris Community Foundation, 4-H Dairy Committee, Canton Chamber Business

Excellence Awards, and has previously served on the Minerva Library Board, Siffrin Board, Hall of Fame committees and a coach for youth sports teams.

On the Marlinton Alumni Board, Louanne will be a part of the budget committee and a co-coordinator for our newsletter.

**Danielle (Bolin) Sigley ('00)** "I was very fortunate to have earned the Marlinton Alumni Association Scholarship as well as the John Liber Service Award. I went on to use my scholarships at the Art

Institute of Pittsburgh where I earned a degree in photography. I took over Studio Two Custom Photography in 2003 and have been running the business as the head photographer for the past 17 years."

When asked why Danielle decided to join the Board, she responded, "...because I have always wanted to give back to the Marlinton Alumni Association because they offered me so much support to start college and my career. I want to be able to help other Marlinton students achieve their goals."

Danielle is married to Chad Sigley and has an 18-month-old son and she still finds time to volunteer on the Outreach Committee at Alliance Friends Church. She also was the photographer for the Alliance Chamber of Commerce from 2014-2017.

For the Alumni Board, Danielle will be working on the Communications and the Golf Committees.

*Currently, our Board of Trustees consists of 21 people. Each person is required to serve on at least one committee. If any alumnus is interested in serving on the Board, please contact any current Board member or visit our website, [marlintonalumni.org](http://marlintonalumni.org) for more information.*

# 2020 Outstanding Alumni Honored

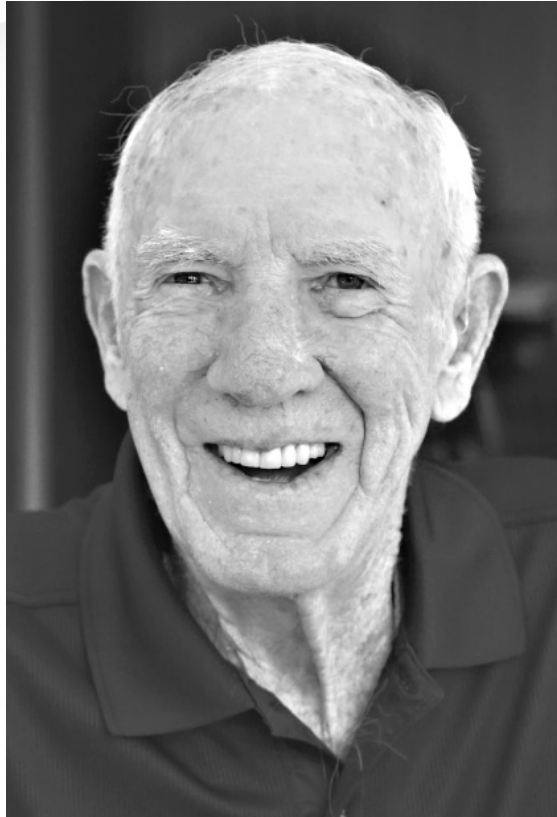

Ron Davis graduated from Marlboro High School in 1951. After high school he obtained a business degree from Ohio University, then joined the US Air Force where he trained as a fighter pilot. In 1958, he and his wife Mary moved to Hartville to lead the Buckeye Packaging Company, a company begun by his father in 1948.

The Marlboro Twp. based company manufactures rolls of plastic, which can be printed and made into plastic bags. During his nearly 35 years as President, Ron grew the company from three employees to 75 and served customers throughout the Midwest. Twenty-five years after his retirement, the company continues to thrive and is a significant employer in the area and supporter of local teams and other nonprofits.

Over the decades, Ron has continued to play a role in the Marlinton Local School district. He has consistently organized his high school class reunion which still meets after more than 65 years. Ron also endowed one of the Marlinton Alumni Association's first scholarships, in the name of his father, Ford C. Davis. Including the 2020 award, this scholarship has provided nearly \$50,000 in support of students

entering Engineering or related fields.

Ron has been a lifelong resident of the area and supported many important organizations. He has been active in Lake Local Schools, where all three of his children graduated. He has also supported the Stark Community Foundation, North Canton YMCA, and Faith United Methodist Church. He was a member of Hartville City Council and is a past President of the Hartville Lions Club.

Ron is the proud father of three children: Laurie, Deborah and John. He enjoys his nine grandchildren and one great-granddaughter.

Nearly two decades after leaving the Air Force, Ron returned to the skies. He flew for business, and personal enjoyment, traveling to see friends and family. He transported patients for medical

treatment as a volunteer pilot for Angel Flights. In 2019, at the age of 85, he landed a plane in Hawaii, marking the accomplishment of an unusual feat. He has landed an airplane in all fifty states!

The Marlinton Alumni Association is pleased to recognize Ron Davis, Class of 1951, with its highest honor.

## Tournoux Brothers Follow Dreams

When Aaron Tournoux ('04) was a sophomore at Marlinton, he started Tournoux Landcare with the help of his brother Zach ('07). Both were in Marlinton's Landscape/Horticulture program and later worked for their instructor, John Hippley, while keeping their own enterprise alive. Aaron and Zach, both active FFA members, were recipients of the James Krabill Memorial Scholarship. Because of Aaron's hard work and success in FFA competitions, he

was awarded the National FFA Landscape Entrepreneurship Proficiency Award.

With a great deal of vision, commitment and determination, the Tournoux Landcare business has thrived and grown over the years. Aaron graduated magna cum laude from The Ohio State University with a Bachelor of Science in Landscape Horticulture. After receiving an Associate's Degree in Environmental

Restoration from Hocking College, Zach graduated from OSU with a Bachelor of Science in Construction Management. Both Aaron and Zach returned immediately to the business after working through college. Investing heavily back into the business and using their work ethic have been the keys to its growth.

Tournoux Landcare is based on pride in personal and group accomplishments, work efficiency, values and problem solving. The main focus is residential design/build hardscapes and landscapes. Their business employs ten people including their father, Terry Tournoux, former MHS Horticulture teacher, Tom Green ('74), and Desert Storm Marine Veteran, Tige Wingard ('88). Tournoux Landcare is proud to touch so many lives by enhancing their living environments.

When asked for words of wisdom for the class of 2020, they replied, "Dream big! Follow your passion even when others look down on you. Remember: Dreams don't work unless you do!"

## Rodman Library Makes Yearbooks Available Online

The Marlinton Alumni Association is pleased to partner with Rodman Public Library in a community project that has made the "sights, sounds, and recollections of Alliance," free and available for public use. The ongoing project continues to add digital archives from individuals, businesses and events of interest, and has digitized Scenarios from 1959, and will soon be adding Marlboro High School Scenarios.

The Marlinton Alumni Association is grateful for Alliance Memory's efforts to help preserve this important part of Marlinton's history.

If you have misplaced your Scenario, or simply wish to peruse years of Duke history, go to [alliancememory.org](http://alliancememory.org). Happy reminiscing!

# Give to the MAA

As of 2020, the MAA has awarded a total of \$865,450 to 562 outstanding Marlinton graduates. Current awards recognize students pursuing careers in accounting, agriculture, education, business, music, science, and engineering. Several awards are dedicated to technical, trade or two-year programs. Others specifically recognize top athletes and military service.

## Your Gift can Honor or Remember Someone Special

### Honor/Memory Gifts

When you make a gift in honor or in memory of someone special, the MAA will notify the family of your thoughtfulness, but will not disclose the amount of your gift.

### In Lieu of Flowers

If you are listing the MAA "in lieu of flowers" and need assistance with language for an obituary, feel welcome to contact us at [marlingtonalumni@yahoo.com](mailto:marlingtonalumni@yahoo.com)

### Establish a Scholarship

A scholarship is a wonderful way to honor or remember someone special. To be fully endowed scholarships requires a gift of \$10,000, though you can begin the process with an initial gift of only \$3,000.

Contact Vondea Sheaffer at 330-697-4036 to discuss your idea!

# Your Legacy, Their Future

One of the Marlinton Alumni Association's greatest sources of hope for future Dukes are legacy gifts from alumni and friends like you!

Legacy donors, individuals who have included the MAA in their estate plans, come from all walks of life, some from modest means and some from wealth. Their common ground is their passion for future Dukes and a desire to invest in something that will provide a permanent legacy.

## **Bequest**

A will or trust directs how you want your property distributed upon death. You may consider including the Marlinton Alumni Association as a beneficiary in your will, designating a percentage or specific amount.

Wills and trusts meet certain legal requirements. Talk to an attorney about what is best for you and your family, and how you can also accomplish your philanthropic goals.

## **Beneficiary Designation**

In addition to plans defined by your will or trust, there are also ways you can express your intentions that do not require the assistance of an attorney:

### **Retirement Plan, IRA, 401(k), 403(b) Beneficiaries**

Most retirement assets are subject to both income tax and estate taxes. You may choose to name one or more charities as beneficiary of all or a portion of your retirement account. Upon your death, funds would transfer, free of income or estate tax. Consult your financial institution or investment advisor to update your designations.

### **Payable on Death (POD) or Transfer on Death (TOD)**

You can easily include one or more beneficiaries on your bank account, certificate of deposit or brokerage account. Simply speak with your financial institution to have a Payable on Death (POD) or Transfer on Death (TOD) designation added to your account. While the notation does not change your ownership, it causes the funds in your account to

pass directly to your named beneficiaries upon your death.

## **Insurance Beneficiary Designation**

You may name one or more charities as the beneficiaries of part/all of the death benefit from an insurance policy. As with POD/TOD options, your beneficiary designation might give a portion to charity and provide for the balance to be divided as you designate. You can make a beneficiary change on your own or with the assistance of your insurance agent.

## **Donation of Appreciated Securities**

To avoid paying capital gains tax, consider a gift of your appreciated stocks, now or in the future. You can support the program of your choice and deduct the full value of the security. Your bank or investment advisor can conveniently administer the transaction.

## **Suggested Gift Designation Language**

A charitable bequest to the Marlinton Alumni Association can easily be written into your will using language such as this: "I give and bequeath to the Marlinton Alumni Association (MAA), tax Identification Number 34-1670638, PO Box 6001, Alliance, OH 44601 (Insert specific amount, asset, or percentage of your estate)."

For a confidential conversation about the ways your gift can be used to support the Marlinton Alumni Association, feel welcome to contact board member Vondea Sheaffer, at (330) 697-4036 or [marlingtonalumni@yahoo.com](mailto:marlingtonalumni@yahoo.com).
