## *Past.....Helping.....Future*

Vol. II No. 1

*Newsletter*

Spring 1991

Dear Alumnus:

I am pleased to report that our Alumni Association continues to grow!

The October newsletter was mailed to 6,500 alumni and the response has been overwhelming. We have added over 200 new members and now have a membership approaching 500. We have received numerous letters from alumni offering to help both financially and in other ways. Checks are coming in for memorials and donations. Our total treasury is approaching \$5,000. Our goal is to start a scholarship fund of at least \$10,000 by June of this year and to see that fund continue to grow.

Progress is being made in establishing our own permanent office complete with telephone, office equipment and at least part-time volunteer staff. Establishment of our own office will mean a giant leap forward in our overall effectiveness as an organization, and I hope to have more detailed news on this project at the banquet in June.

Needless to say I am very excited about our progress!

Please remember our Scholarship Fund as a memorial for a loved one or friend or as an outright donation. What better way to honor someone than providing scholarship funds for future Marlington graduates.

I want to thank Dr. James Akenhead, Marlington Superintendent, and the members of our Board of Education for their interest and support of our efforts.

Sincerely,

William R. Liber  
Alumni Association President

## Senior Scholarships and Outstanding Alumni Awards Presented at Reunion Banquet

Scholarships are presented to two graduating seniors each year on the basis of scholastic achievement, school and community activities, and teacher references. Applicants also submit an essay relating their thoughts on contributions to the community and how Marlinton has prepared them for the future. Scholarship recipients are announced at the annual high school awards assembly each spring. Those chosen are invited to the Alumni Association Reunion Banquet to receive their scholarships.

Receiving the first two scholarships from MAA were 1989 graduates *Julie Connolly* and *Steve McLeod*. Julie is attending Miami University. Steve attends Mount Union College.

At the June 1990 banquet, *Beth Draper* and *Louanne Johnson* were scholarship recipients. Beth attends Ohio State University and Louanne continues her studies at the University of Akron.

Two outstanding alumni awards are given for success in their chosen field and service to Marlinton Schools. Nominations are taken for these awards. A 1989 recipient was *James Hastings* ('53) for success in his chosen field of journalism. He is now editor of the Alliance Review. *Betty Davies* ('39) was also chosen for her untiring efforts in accumulating addresses MAA, arranging Marlboro High School reunions, and community service.

At the 1990 banquet, *Dr. Kirby Sweitzer* ('77) was honored for his contributions to the field of medicine in the area of cancer research. Currently he is doing general surgery at the Henry Ford Hospital in Dearborn, Michigan. Also honored that evening was *Gwen Burdick Liverett* ('69), secretary at Marlinton Middle School. Gwen has contributed much to school, church and alumni activities.

## Alumni Reunion Banquet

Mark your calendars right now! Friday, June 14, 1991, is the date for the third annual Marlinton Alumni Association Banquet at Mount Union College. Many of you were unaware of our first two banquets in 1989 and 1990 since letters were only sent to those who had already become charter members. Now we are attempting to contact all alums. The banquets have been a great success. Each year outstanding alumni were honored and scholarships were presented to two worthy MHS seniors. Also we are establishing a tradition of recognizing the 25th and 50th year graduating classes which this year will be the classes of 1966 and 1941. Come join us in meeting old friends, enjoying a good meal, and entertainment. Cost is \$14.00 for the entire evening. Complete the tear slip and send us your paid reservation by June 1, 1991.

## Scholarship Committee Works On Long Range Plans

The scholarship committee has been busy over the past few months planning and organizing. This past fall the committee traveled to Salem to meet with the president of the Salem High School Scholarship Fund. The committee was interested to learn not only how Salem oversees their scholarship funds but also what might be the keys to their success. The Salem fund is now approximately \$1.5 million in size.

The committee also elected officers this past fall with Ralph Bingham, president; Bill Liber, vice-president and Eleanor Ramser, secretary/treasurer. The other members of the scholarship committee are Dr. Tom Robinson, Tom Hazen, Larry Ramser and Tim Lanzer. The purpose and responsibilities of the committee are to receive money or property by gift or memorials and to oversee these funds for the purpose of providing scholarships for worthy graduates of Marlinton High School. The committee has been meeting regularly reviewing ideas for increasing scholarship fund revenues.

Anyone wishing to make a donation to the scholarship fund may use the tear slip provided below. Contributions will be listed in future issues of the alumni newsletter.

# A View Of Marlinton's History

-by Betty Devies

*Marlinton Schools came into existence about 150 years after the pioneers began to settle in the three townships of Marlboro, Lexington and Washington. This is a brief sketch of the early schools that evolved into Marlinton.*

The earliest settlers were mainly Quakers, coming into this area in the early 1800's. Their schools were very plain, often held in abandoned log cabins. As more people settled on the frontier a better way of schooling became necessary. Methodists in Marlboro and Lexington Townships and Dunkards in Washington Township built houses of worship; these were also used as schools. Teachers were paid by "subscription". A family subscribed for a certain number of children, for which they paid a set amount for each school session: 3 scholars for 15 days schooling for \$1.65 is an example. Teachers conducted classes, cared for heating, shoveled snow, cleaned the classroom and did other janitorial duties for a salary of \$1.88 a week. Many teachers lived in the homes of the students, known as "boarding out."

The first bill introduced into state legislature for "establishing and regulating common schools" in Ohio was presented by Stark County Representative James Lathrop in 1820. This was implemented in 1824. Board of education members for each township were voted on at general elections; these replaced earlier school directors.

In 1914 the state declared that Ohio schools must have county boards of education. This ended the "Rural School Code" and the construction of one-room schools. In 1922 townships were mandated by the county boards to vote on levies to pay for schools.

## Marlboro Township

The earliest Quaker schools existed prior to 1820. By 1826 Marlboro had two or three schools; New Baltimore had one building by 1834. An academy, an institution of higher learning, was opened in Marlboro in the early 1840's. (This building is in use as a residence today near Marlboro square). The Marlboro Academy closed in 1849.

The "Union School Plan" of graded schools was implemented in 1850. Classes for all grades were started in the Academy building, then moved to another school house near the square of Marlboro. Classes continued there until the new three-room brick building was opened in 1888. The first graduating class was in 1893.

The school at Marlboro became an elementary building and was called Marlboro Village School with its own board of education. It voted to merge with the

new centralized school in 1925. Other township schools were as follows:

#1 Hardscrabble - torn down in 1929; #3 Briglesburg - now a residence; #4 Soap Hill - used as a church, an antique store, and residence; #5 Center - frame building still in use as a residence; #6 Tyro Hall - residence; #7 Guinea Island - frame building residence; #8 New Baltimore - brick building, restored, residence; #9 and #11 fractional sub districts - students attended neighboring township schools; #10 Hogback - merged with sub district #8. Torn down; and #12 Bunker Hill - burned in 1940.

The first of these schools were log type buildings built about 1850. They were re-placed with improved frame buildings in the 1870's; all but Center and Guinea Island were replaced with brick buildings in the late 1890's.

In 1925 Marlboro voted to build a centralized high school at a cost of \$60,000 at the site of the present grade school. The first class graduated in 1927. Elementary students attended Marlboro, New Baltimore or the portables (two temporary buildings east of the high school). Buses came into use at this time.

An addition was built on the west end of the high school for 7th and 8th grades in 1940. The New Baltimore school closed in 1940 and Marlboro village in 1950. In January 1952 a new high school beside the old one was opened and the old high school building became the township elementary.

Following the formation of the Marlinton Local School District in 1956, the high school building became Marlboro Elementary School. A new wing was added in 1971. Grades K - 5 attend this school.

### Lexington Township

Eight little red schools houses dotted the countryside of Lexington township during the early 1900's, for the convenience of younger students:

\*Greenbower - new school in 1929 for pupils from Deercreek, Limaville and Greenbower. Closed in 1956 - now a bottle gas service business; \*Limaville - closed in 1929; \*Union Grove - closed in 1934 - students went to Bolton; now a residence; \*Deercreek; \*Lexington; \*Sawburg; \*Bolton - closed in 1956, now a nursing home; \*Science Hill - built in 1877 and used as a school until 1956. It is being restored and is one of few remaining one-room school houses.

Lexington Township had no high school; students attended Alliance High School. In 1956 a modern consolidated elementary school was built. This is located on Atwater Avenue and has grades K - 5.

### Washington Township

By 1830 Washington Township was divided into sub-districts for school purposes. There were 10 schools by 1896. They included:

#1 Fairmount - closed in 1950, now Fairmount Church; #2 Beechwood - closed in 1950, torn down; #3 Motz - closed in 1930, now private home; #4 Maximo - Catholic students attended this school, closed in 1950 and torn down after 1961; #5 Center - sold in 1950; #6 Grange Hill - sold in 1950, now a private home; #7 Freeburg - sold in 1950, burned in 1978; #8 Scenery Hill - closed in 1947, now a nursing home; #9 Mt. Pleasant - sold in 1950, was a church, now a residence; and #10 Fox - sold in 1950.

Most of these schools operated until 1950 when consolidation combined them into the Washington Township School District. That school building, built in 1951 for grades K - 5, is located on Beechwood Avenue.

### Marlington Local School District

When a new school district is created through the merger of two or more old districts, it is known as a "local school district." Thus the merger of Marlboro, Lexington, and Washington township schools in 1956 became known as Marlington Local School District.

This district covers a total of ninety-eight square miles and consists of five buildings: Marlboro Elementary, Lexington Elementary, Washington Elementary, Marlington Middle School and Marlington High School. The high school opened for classes in 1961. The middle school, opened in 1971 for grades 6 - 8.
